we mould it into your achievement!**

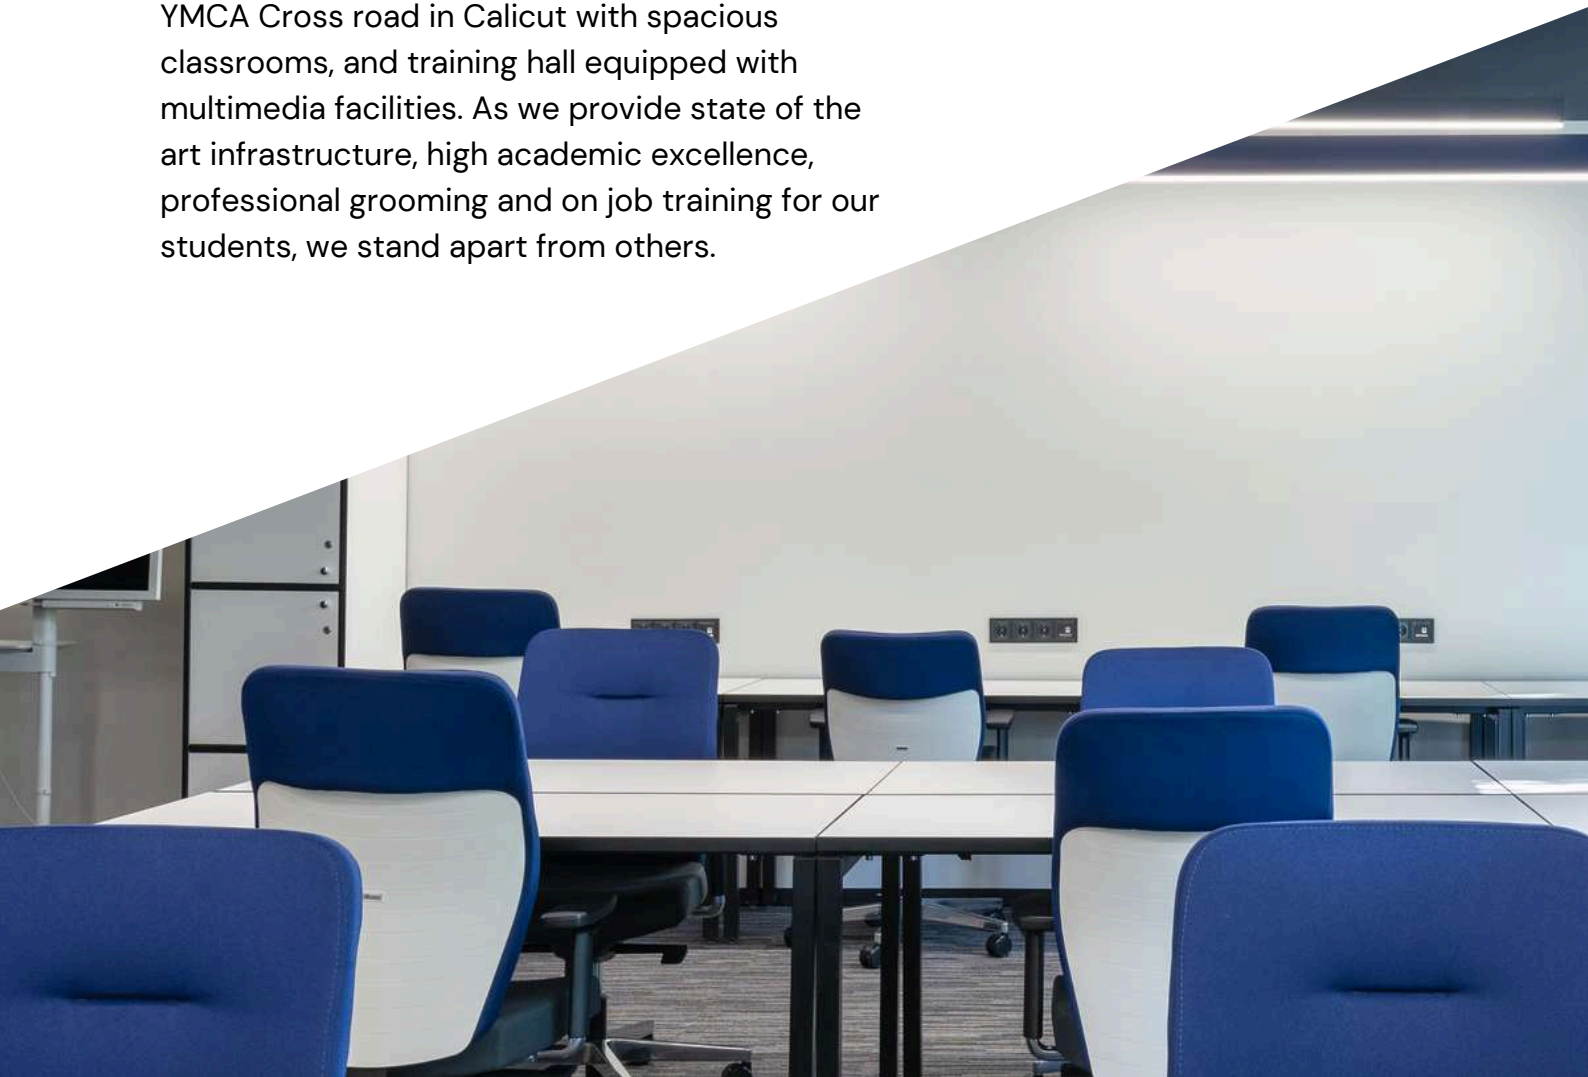

KANDOTH BUILDING, YMCA  
CROSSROAD , CALICUT 673001

# Introduction

Edu mould Academy for Professional Training was founded in the year 2016. Edu.mould started off with aviation training which paved way for different training areas in corporate training in a gradual span. In a very short period Edu.mould has won accolade for its consistency in churning out airline professionals as well as working professionals fit for the changing work culture. It is the only institution in Malabar province of Kerala which has '100 percent placement' record for eligible students. Our institution is situated in YMCA Cross road in Calicut with spacious classrooms, and training hall equipped with multimedia facilities. As we provide state of the art infrastructure, high academic excellence, professional grooming and on job training for our students, we stand apart from others.
